

LATEST TRIATHLON NEWS – NOVEMBER 2015

EVENTS

There will not be a PSUK Long Distance Championship this year. There were more requests for a Middle Distance event and authorisation was not received to hold both.

Limited entries to the Cotswolds113 have been reserved and we have until the New Year to take these guaranteed slots at a reduced price. Please notify the secretary, Ian Tyers, at ityers@sky.com if you wish to enter as soon as possible. Arrangements will then be made to collect your entry fee at the reduced price.

The Sprint Distance Championship will be held alongside an RAF event. The date for this will be notified shortly. I would still encourage support for the Emergency Services Triathlon should it go ahead but it will not be the PSUK championship event.

The dates for the duathlon championship and Inter Services representation events for 2016 will be noted soon.

PSUK Committee will be asked to authorise a national team relay triathlon event at the next committee meeting in December with a view to this event marking the end of our season in September 2016.

KIT

The new PSUK representative team kit has been produced and will be issued to those selected to represent PSUK. It will be available to be purchased at a very good price by everybody. Updates to follow but the kit can be seen being modelled on the PSUK Triathlon Facebook page.

FACEBOOK

Athletes are encouraged to view this page for updates regarding all PSUK events. It's also a good place to engage with colleagues around the country and develop more of a PSUK team feel to what we do.

FORCE CONTACTS

If you would be happy to be the central point of contact for triathlon in your Force area please email the secretary, Ian Tyers, at ityers@sky.com
