

EMERGENCY SERVICES BRITISH ROAD RACE CYCLING CHAMPIONSHIPS 2022

A well organised event and a challenging route met the racers yesterday at the Emergency Services Road Race in South Staffs.

An early break with 70km to go by Ben Millar (NHS) went all the way to the finish netting him the overall title. In the group behind the heat coupled with the climb out of Bobbington saw the numbers dwindling.

The final ascent saw Rich Butler (Fire) go clear, then on the rolling descent Tom Clements (Dorset Police) made a break for it along with Andy Gibson (Fire) finishing together some 50 secs ahead of the chasing group to clinch 4th & 3rd respectively which was later promoted to 3rd & 2nd following the DQ of Rich Butler. Thus crowning Tom Clements (East Dorset Police) as police champion 🏆

In the chase the sprint was won by Tony Snow (Fire) from Jack Bracey (Norfolk Constabulary) & Ashley Harvey (Met Police).

A big thank you to James Gibney (West Midlands Police) for organising and to all his family, the helpers and the volunteers from West Mids Police for making this event happen 🙌

Also a huge thank you to [OTE Sports](#) - [Trek Bicycle Shrewsbury](#) - [Charity Cops](#) for their generous donations towards the prizes 🙏
