

# PSUK Orienteering Championships 2023 and PSUK v RAF

19 November 2023

## Results and Report

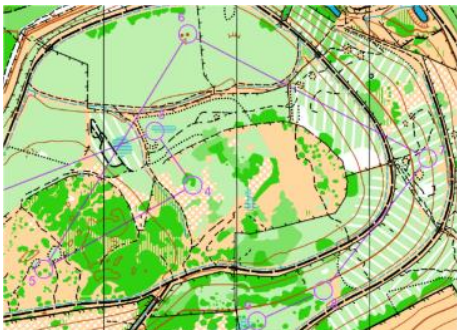

The Police Sport UK orienteering Championships and annual match against the RAF took place at Watchwood & Calverton, Nottinghamshire on Sunday 19<sup>th</sup> November 2023. Competitors from nine forces took part and whilst the entry was not high, but more than in 2022 It was good to see some new competitors taking part. The area was a reclaimed coal tip and the damp weather and dense vegetation made for hard going at times.

The results of Richard Vasey, PSNI and Hannah Woods South Yorkshire are worth of praise, Richard beating all the RAF runners except one and Hannah running a faster time than all the Police men. Derbyshire Police were winners of the Mixed Team Trophy.

In the Inter Services match the RAF defeated the Police 7 points to 3. Hannah Woods won the Trophy for the best time on the Women's Open in the competition against the RAF.
