

To All Participants PSUK Indoor Sports

On the 4th of April 2021 we were informed by the management of The Potters Resort that following the Covid pandemic they have introduced a new business model and the PSUK championships did not fit in with their new plans and that they would no longer be able to stage our championships with immediate effect. Following a meeting of the PSUK Indoor Sports committee we informed Potters that we were of the opinion that this was in breach of the contract between us and requested that they reconsider for 2022.

On the 21st of April, Potters restated that they would not change their plans to meet with our requirements so I regret to inform you that the 2022 championships will not be staged at The Potters Resort.

The committee will make every effort over the coming weeks to identify a suitable venue for our championships in 2022 and beyond.

The coming weeks will be a extremely busy time for the committee as they search for a suitable alternative, so I ask you to be patient and give us time to come up with an alternative venue.

The Annual General Meeting of the Indoor Sports section will be held at 11am on Friday the 25th of June in the Leeds area, venue yet to be confirmed when all members can attend.

In the meantime the committee can be contacted via email as below

Psukindoorsportsuk@gmail.com

We are aware that following the cancellation of the 2020 championships many participants allowed Potters to retain their booking monies on the understanding that this would be credited to the next championships. If Potters are holding any monies for your future booking please contact them direct for a refund.
